### **DETAILED ACTION**

The title is objected to because it contains the term "novel". Correction is required. See MPEP § 608.01(b). Deletion of this term will overcome the rejection.

#### ***Claim Rejections - 35 USC § 112***

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claim 17 is rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. It is not clear what is meant by "related diseases".

#### ***Claim Rejections - 35 USC § 102***

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

(e) the invention was described in a patent granted on an application for patent by another filed in the United States before the invention thereof by the applicant for patent, or on an international application by another who has fulfilled the requirements of paragraphs (1),

(2), and (4) of section 371(c) of this title before the invention thereof by the applicant for patent.

The changes made to 35 U.S.C. 102(e) by the American Inventors Protection Act of 1999 (AIPA) and the Intellectual Property and High Technology Technical Amendments Act of 2002 do not apply when the reference is a U.S. patent resulting directly or indirectly from an international application filed before November 29, 2000. Therefore, the prior art date of the reference is determined under 35 U.S.C. 102(c) prior to the amendment by the AIPA (pre-AIPA 35 U.S.C. 102(e)).

Claims 1-8, 12-14, 16, 17, 19 are rejected under 35 U.S.C. 102(b) as being anticipated by WO 01/0121577.

WO 01/0121577 teach compounds corresponding to the recited claims. See, pages 171-173.

Claims 1-8, 12-14, 16, 17, 19 are rejected under 35 U.S.C. 102(e) as being anticipated by WO 03/097047 and WO 03/087046.

WO 03/097047 and WO 03/087046 teach compounds corresponding to the recited claims. See, respectively, claims 1-26 and claims 1-85.

No claim is allowed.
